DEDICATION

The St. Marys Area High School Class of 1965 dedicates this edition of The Bells to Mr. Thomas A. Carpin for his distinguished achievements as a high school principal and supervising principal. His untiring efforts to promote the cause of education and his active interest in the needs of the student body have contributed much to the improvement of our local educational system.

THE BELLS STAFF

"Where are those layouts? You haven't done them yet? Tomorrow is the deadline! Can't you do anything right?" Yes, this is coming from Mr. Luke and Mr. Newman.

Through all the confusion Linda seems to carry on with the help of Max, Joe, Jim, and Bea. Many long hours of hard work have gone into your yearbook, and we hope you enjoy The Bells as much as we have enjoyed presenting it to you.

SUPERVISING PRINCIPAL
Mr. Thomas A. Carpin

Your life at St. Marys High will be judged by others for what you have already accomplished in preparation for a new and different life in the years to come. We believe our guidance to this end has been successful.

Wishing you a most happy and rewarding future.

Congratulations on your commencement day, June 1, 1965.

Congratulations to the graduating class of 1965. You will now begin to reap the benefits of your efforts in school for the past few years. Whether you go on to school or to a job in business or industry, your "pay days" will reflect what you have done and how well you did it.

FOREIGN STUDENTS

This year the students of the St. Marys Area High School are privileged to have with them two foreign exchange students, Christine Scheinbenreiter of Austria and Margarita Kaneshiro Teruya of Peru. The two students are pictured below with their American families.

Christine Scheibenreiter, a native of Hollabrun, Austria, is a foster daughter at the home of Mr. and Mrs. George Meyer. Already a high school graduate, Chris plans to enroll at the University of Alma Mater Rudolphina in Vienna.

A native of Lima, Peru, Margarita Kaneshiro Teruya is shown with her American family, Mr. and Mrs. Herbert Wickett, and their children. Upon returning to Lima, Margarita plans to enter the University of Mayor de San Marcos.

JANUARY THAW

On May 14 and 15, the senior class presented the sparkling Broadway comedy, "January Thaw." The play revolved around the Gage family, who had recently moved to an old farmhouse in Connecticut; a peaceful atmosphere in which Mr. Gage could attempt to write a best-seller. Some time after the Gages arrived in Connecticut, the Rockwoods, an elderly couple who had originally owned the house, returned, claiming they had a right to stay in the house as long as they lived. A fight for possession of the house began, with neither family being able to turn the other out. The situation became even more complicated when the Gage's daughter apparently eloped with the Rockwood's son; and Mr. Husted, her fiance, arrived in Connecticut for their intended marriage. All in all, the play was a tremendous success, with the audience bursting into spontaneous laughter at many incidents in the play.

The senior class wishes to thank the members of the cast, the members of the various committees, the directors, and anyone else who helped make this play one of the most successful in the history of our school.

Members of the cast await the beginning of the first dress rehearsal.

Matt Rockwood describes his train trip from Oregon to Connecticut and home.

Marge Gage explains her disturbing dreams about the Rockwoods.

This year, our cheerleaders, led by co-captains, Carol Kronenwetter and Jean Wickett, have inaugurated a drive to promote school spirit. By organizing the Pep Club, by making the pep rallies more interesting to the students, and by promoting interest in all school activities, the cheerleaders feel that this goal will become a reality in future years. The girls raise their own money by selling articles which contribute to the development of school spirit. In addition, each year, they are solely responsible for holding the annual Varsity Queen Crowning.

As in previous years, the St. Marys Senior High School Chorus has continued its successful series of concerts, both at Christmas time and in the Spring.

"Presenting the St. Marys Area High School Marching Band." These familiar words begin each half-time performance as the forty-piece band takes the field. A long summer of diligent practice has produced the desired result -- imaginative drills executed with precision. As the school year continues, the enthusiasm at pep rallies and basketball games is bolstered by the addition of the band. Parades and other community functions give the public an opportunity to see another facet of musical accomplishment. Rehears-

ing for and the actual staging of the spring concert consume many of the following months. The success and critical acclaim accorded to band members and to their director, Mr. Justin D'Ambrosio, are well deserved. Culminating the year is preparation for Commencement exercises when the band again renders incalculable service by contributing to the aesthetic tone of the ceremony.

From left to right: P. Manning, D. Leasgang, B. Mildrew, M. Lecker, L. Wehler, B. Mohr.

DRAMATICS CLUB

The Dramatics Club, under the supervision of Miss Heiberg-er, has presented unique and entertaining skits for the stu-
dent body. Besides learning the fundamentals of acting, the club members have de-
veloped such skills as make-
up application, costume de-
signing, and stage directing.

During the year, the club directs several activities, such as sponsoring the Queen of Hearts Dance, operating the cloak room at all home basketball games, and presenting trophies to out-
standing athletes. The primary function of the club is to en-
courage as many boys as pos-

STUDENT COUNCIL

The Student Council of the St. Marys High School consists of students in grades nine through twelve. Complaints and requests that are presented to the council are discussed and voted upon by its members. The proposals are then sent to the school principal, who may then implement or reject them. Moreover, the Student Council sponsors social activities so that it can raise money for the foreign exchange students who visit our school and our community.

With adequate instruction, the members learn to care for and use the laboratory equipment. Occasionally, an objectional odor is emitted from the laboratory; but the students do not mind, because the club members are, perhaps, on their way to becoming leading chemists in this scientific era.

FRONT ROW: D. Hudock, D. Carr, R. Sachse. SECOND ROW: C. Girty, J. Mastrogiacomo, M. Greene, B. Johnson. LAST ROW: B. Heiberger, H. Lepovetsky, M. Cake.

IN APPRECIATION

The St. Marys Area High School Class of 1965 presents this page in appreciation to Mr. L. E. Whiteman, school board member for twenty-two years. In addition to raising a family and serving as Secretary of the Elk County Bank and Trust Company, Mr. Whiteman has devoted many hours to the improvement of our school facilities. While on the school board, Mr. Whiteman has promoted such programs as the jointure of the school districts, the additions to the school building, and the improvements to Berwind Park. For these and for his other services, we express our sincerest gratitude.

OUR HEROES

Mr. Shipe, do you need all the bench?

Mr. Lewis is always the center of attraction.

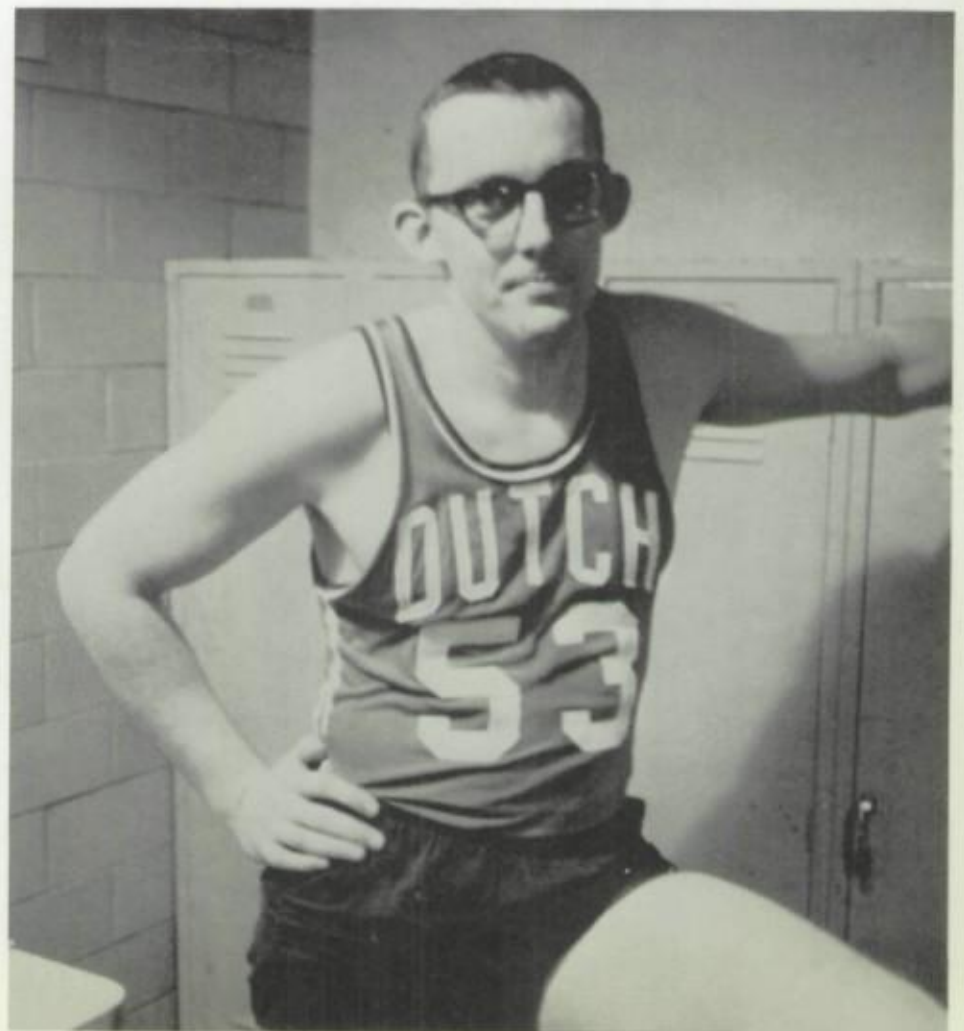

Chris Columbus has his doubts.

An admiring fan!

What-da-ya say, Meadowlark?

How's about a cheer!

PATRONS

The seniors and the yearbook staff of the class of 1965 wish to express their gratitude to the following patrons for their financial assistance in presenting this edition of the Bells. Without their contributions this edition would not have been possible.
